## Infrastructure Investments Analyst

---

Department: **Investments – Infrastructure**

Reports to: **Managing Director**

---

Location: **New York, NY**

Contact: **Human Resources (careers@gcmlp.com)**

---

### SUMMARY

Working as a member of the Infrastructure Investments team, the Analyst will be involved in all aspects of investments within the infrastructure vertical, including due diligence, transaction execution and investment monitoring.

### RESPONSIBILITIES

The individual will be involved in the following critical activities:

- Analyze and conduct due diligence on infrastructure investment opportunities involving Primary funds, Secondary opportunities and Co-Investments.
- Create and update financial models to produce sensitivities and interpret cash flow projections to determine risk and acceptable debt sizing / valuation range.
- Develop specific knowledge in the infrastructure and energy sector and be aware of trends and business opportunities and risks. Undertake research analysis into industry sectors as required including conventional power, renewables, utilities, telecommunications, transportation, and social infrastructure.
- Prepare investment memorandums and present recommendations along with due diligence findings to internal committees and clients.
- Partner with legal counsel to review fund and deal terms, negotiate and execute investment transactions.
- Client relationship management support including ongoing portfolio management and reporting activities.
- Think as a principal investor, converting market knowledge and due diligence findings into well-developed investment recommendations.
- Assist with special projects (business development, investor relations, *etc.*) on an as-needed basis.

### EDUCATION, SKILLS AND EXPERIENCE REQUIREMENTS

The ideal experience and critical competencies for the role include the following:

- Bachelor's degree with outstanding academic credentials required.
- 1-2 years of professional experience as an Analyst in private equity, investment banking or consulting/advisory. Previous experience within the infrastructure or real assets vertical preferred.
- Outstanding verbal and written communications skills.
- Exceptional critical thinking, quantitative and analytical skills.
- Superior organization, decision making and problem solving skills.
- Outstanding project management skills and the ability to work effectively in a deal teams, often on several transactions or potential opportunities simultaneously, under tight deadlines.
- Ability to balance multiple concurrent projects and work both independently and as a productive member of project teams.
- Desire to work in a dynamic, entrepreneurial organization.

(GCM Grosvenor reserves the right to add to, delete, change or modify the essential duties and requirements at any time. Other functions may be assigned to the position at GCM Grosvenor's discretion.)

**If interested and qualified for this position, please notify Human Resources.**

**EQUAL OPPORTUNITY EMPLOYER M/F/D/V**

- High degree of integrity.
- Dedicated work ethic and commitment to team and a goal-oriented environment.

In terms of cultural fit, the successful candidate will be self-motivated and energized by working among a group of thoughtful, smart and successful colleagues. He or she will enjoy being part of an organization focused on excellence and will be a naturally collaborative person who enjoys interacting with individuals at all levels. Additionally, he or she will be a strong team player with a proactive approach and the ability to exercise discretion and judgment.

#### HOW TO APPLY

Interested candidates should submit a letter of interest along with a resume to [careers@gcmllp.com](mailto:careers@gcmllp.com). Please reference **“Infrastructure Analyst # 101443”** in the subject line of the email.
