

August 20, 2018

Vice President, Labor Infrastructure

Department: **Investments – Labor Infrastructure**

Reports to: **Managing Director**

Location: **New York, NY**

Contact: **Human Resources (careers@gcmlp.com)**

SUMMARY

Working as a member of the Labor Infrastructure Fund (LIF) investment team, the Vice President will be involved in all aspects of the direct investment process, including investment thesis development, review of financial analysis, due diligence, transaction execution and investment monitoring.

RESPONSIBILITIES

The individual will be involved in the following critical activities:

- Involvement in the investment process from inception to completion across the midstream energy, conventional power, renewables, utilities, telecommunications, transportation, and social infrastructure sectors.
- Gather industry research, monitoring economic trends, create forecasts and conduct analysis on potential investment opportunities.
- Perform business, accounting and legal due diligence, including review of detailed financial models, creation of supporting analysis, development of investment structures and review of all due diligence reports.
- Think as a principal investor, converting market knowledge and due diligence findings into well-developed investment recommendations.
- Prepare Investment Committee memoranda based on due diligence findings and present recommendations to, and participate in, internal Investment Committee meetings.
- Offer insights and ideas regarding potential investments, creative transaction structures and deal terms that help lead to successful transactions.
- Negotiate term sheets and other transaction documentation, including financing commitments, credit agreements, indentures and management agreements.
- Coordinate all aspects of transaction execution and deal closing process with legal advisors and internal finance team.
- Manage relationships with bankers, consultants, attorneys, external advisors as well as accounting and tax professionals.
- Monitor and report on company/portfolio performance and draft investor communications, including periodic updates on company/portfolio performance. Communicate with current and prospective investors about pending investments.
- Support investor relationship management, including fundraising, ongoing portfolio management and reporting activities.
- Supervise junior investment staff by training them on investment analysis and internal processes.

EQUAL OPPORTUNITY EMPLOYER M/F/D/V

EDUCATION, SKILLS AND EXPERIENCE REQUIREMENTS

The ideal experience and critical competencies for the role include the following:

- Minimum of an undergraduate degree in a finance or accounting oriented major with 5+ years of relevant work experience. Relevant work experience would include, but not be limited to, the following areas of specialty: infrastructure investing, private equity and investment banking. MBA a plus but not required.
- Prior infrastructure or private equity related investment/transaction experience strongly preferred.
- Strong quantitative skills and analytical ability.
- Advanced knowledge of Excel and experience with MS Word, PowerPoint, research and other computer applications.
- Superior written and verbal communication skills; ability to articulate opinions and write clear and concise memoranda on investment opportunities.
- Highly motivated, ambitious and industrious investment professional with exceptional organizational skills, decision making and problem solving skills.
- Strong work ethic, professional demeanor and high degree of integrity.
- Ability to work both independently and as a productive member of transaction teams.
- Willingness to travel domestically and internationally as needed to support LIF's investment and business development activities.
- Ability to balance multiple concurrent projects and to prioritize workload and shift attention among changing tasks and priorities.
- Demonstrated initiative and ability to work in a fast paced, changing environment and desire to work in dynamic, entrepreneurial organization.

In terms of cultural fit, the successful candidate will be self-motivated and energized by working amongst a group of thoughtful, smart and successful colleagues. He or she will enjoy being part of an organization focused on excellence and will be a naturally collaborative person who enjoys interacting with individuals at all levels. Additionally, he or she will be a strong team player with a proactive approach and the ability to exercise discretion and judgment.

HOW TO APPLY

Interested candidates should submit a letter of interest along with a resume to careers@gcmlp.com. Please reference **"VP, Labor Infrastructure #101262"** in the subject line of the email.
